**ONLY \$3.75
PER ORDER! ***

- Only \$3.75 per order, no matter how large the order. Orders can also include pre-orders and back orders.
- No more complicated shipping and handling charges! No need to try to figure out the weight of your shipment like other companies make you do. One standard price for all orders in the continental U.S.

* Offer applies to software (laserdiscs, CD-ROMs, CDs, VHS tapes) sales. Offer does not apply to hardware sales or where shipping and handling is specified.

**What the
Shipping Policy means
to YOU:**

- 2nd day delivery for most customers! (unless UPS Ground offers comparable service to your area)
- Other companies charge as much as \$3.00 for the first disc and \$1.50 for discs thereafter for slower UPS Ground Service or Fourth Class Mail and \$3.49 per title for UPS 2-day delivery.

* "In-stock" orders are usually processed within 48 hours (barring system failures, natural disasters, etc.). There may be seasonal delays. We appreciate your patience in such instances. For complete details on our shipping and handling policy, please carefully read our Ordering Instructions located next to the Order Form.

For Faster Service:

- When ordering, please have the item numbers ready.
 - Please be ready to give your source code and customer number (located on the mailing panel next to your address).
- Source codes ensure that you get the special discount prices.

FYI:

- We have tried to compile the most accurate and up-to-date information, however, please note that **all street dates and prices are subject to change without notice.** Many studios miss announced street dates and change suggested list prices. Unfortunately, this is beyond our control.

Limited Quantities -
Backordering may not be always be available.

DEFINITIONS for LASERDISCS

- **THX** - A standard developed by Lucasfilm to ensure optimum picture quality and sound for films. Sort of like a "Good Housekeeping" seal of approval for laserdiscs.
- **Widescreen (WS) or Letterbox (LTBX)** - Program is presented in its original theatrical format. The preferred format for laserdisc viewing. If there is no "WS" next to the title, then it has been cropped to fit a standard TV screen's dimensions (also known as Pan & Scan).
- **CAV** - CAV (or standard) format discs have 30 minutes of viewing per side. They also allow for still frame, slow motion and direct access to individual frames.
- **CLV** - CLV (or extended) format discs allow up to 60 minutes per side, sacrificing CAV only features such as freeze frame unless played on players with digital frame memory.

**YOU'RE UNDER ARREST! VOL. 1:
AND SO THEY MET (DUBBED)**

Tokyo Highway Patrol officers Natsumi and Miyuki get off to a bad start when Miyuki busts Natsumi for reckless moped driving on her way to work. Things get worse when they find out they're going to be partners! The only thing they've got in common is a desire to nab "The Fox," a mysterious figure who tools around defying every traffic regulation yet invented in an unbelievably customized Morris Minor. They wouldn't stand a chance, except for the fact that Miyuki has made a few changes of her own to their Mini Patrol Car, and Natsumi is crazy enough to see just how good they are.
